In beginning to use this new article, there is no prejudice to combat, for there is nothing revolting in the idea of a pure vegetable oil, and it requires but one trial to establish it as a favorite. Our people of the cotton States here here are all with the degree to attend to be really all the cotton. ORNS-BUNIONS, ETC.—If you are suffering with Corns, Bunious or Ingrowing Nails, call a Dr. C. J. SCHERER, 211 Main, and be relieved tonce. Operations are painless, and charges ple of the cotton States have been sending every year more than two millions of dollars to the Northwest to buy lard; to purchase an rticle of general use, which can be substi tuted from our own fields and by the work o domestic factories. The days of hog's lard, at least for culinary purposes, are going fast, and those of cotton-seed oil are proaching. Think of the vast addition to e wealth of the South when this oil shall rs most reasonably.
